

AS WE SEE IT

By NORMAN NUCK

Now that the student body election is a thing of the past, except for the run-off for the office of vice-president, we feel fairly safe in making a few comments on the newly elected officials.

George White, who scored a landslide victory in the presidential race, is a stranger to us but if we were to judge his qualifications by appearance and his campaign speech we'd go out on the limb and say that the office of president for Hartnell College will be filled by a most competent person.

Recording the minutes and performing the other secretarial duties for next year's commission will be Janice Lund and we're sure very few will question Janice's ability to fill this office. She is a business major and has a vast amount of practical experience which will aid her considerably in filling her office.

Popular Honey Harris, who ran unopposed for commissioner of social activities, should enjoy great success at her newly won post. We feel that this office requires as much work as any student post in school and this being the case, Honey should be well qualified for her position.

Like White, Roy Johnson is more or less a stranger to us, but as a result of our few contacts with Roy we're sure he'll back up the faith of his electors with an outstanding job in the newly elected commission.

Barbara Elkins has been active in all school functions this year and if she carries this interest into her position of women's representative there should be no doubt that she'll be an asset to next year's governing body.

In the election's closest race, Del Deis edged out Jack Wilson in the race for sophomore representative. Deis has not been particularly active during the past year but he could very well turn out to be the dark horse of the commission. By that, we mean a stand-out.

When we start talking about Jerry Parker we feel qualified to give him a big boost. As a member of this year's Panther Sentinel staff, Jerry proved to be efficient in every capacity from the word go. We feel that the office of commissioner of public relations calls for a person well versed in journalism and publicity. Jerry meets both these requirements in every respect.

Little needs to be said concerning the newly elected yell leader, Loren Ingols. As commissioner of social activities this year, Ingols was by far and away one of the most active members of the commission and the whole student body for that matter. If anyone can create the spirit for Hartnell, Ingols is without a doubt the man.

Charley's Aunt Is Success

Audiences who attended last Thursday's and Friday's performances of "Charley's Aunt" were treated to approximately two complete hours of hilarious laughter. Laughs were numerous and the audience had little time to recover from one laugh before another was sprung on them.

The cast performed brilliantly and if an individual star was picked it would be Jim Clark for his superb portrayal of Charley's aunt. Marylou Hutson did a commendable job in her role of Donna Lucia D'Alvadorez.

The stage setting drew numerous compliments from the audi-

ence and it seems fitting that Mr. Irwin Whitaker should be congratulated for his clever stage designing. Construction of the stage setting was handled by the members of the art class.

Certainly one of the more important people in the play's success was faculty advisor and director, Miss Faith Fraser. The over-all success of Charley's Aunt and the smooth manner in which it was presented was a credit to the work of Miss Fraser.

Sell-out audiences were present at both performances and insured financial success for the play.

COMMISSIONERS—The newly elected student body officers are groped together immediately after grouped together immediately after learning the final tabulations.

Standing from left to right we have Barbara Elkins, Honey Harris, Janice Lund, Jerry Parker, George White, and Roy Johnson. Kneeling are Del Deis and Loren Ingols. On the lower right we have Steve Gamble and Eldon Jackson who are vying for vice-president in a run-off election today. Complete election returns can be found on this page.

Graduation Ball Draws Near

Invitations will be sent out next week to graduating sophomores for the Alumni Association Graduation Ball, Saturday, May 22. Graduates of the class of 1948 are being admitted to the dance free of charge. Their non-graduating escorts will pay \$1.00 admission while couples who are not graduates will be charged \$1.50.

Music by Herbie Bruce and his Debonaires will be provided for the dancers from 9 to 1 o'clock in the Men's Gym. Winner of the Graduation Queen contest will be announced at the dance and will reign over the ball.

V-President Run-off

Landslide Recorded By White

George White was elected next year's student body president last Tuesday by a landslide vote of 263 over his opponent, Harry Lee, who carried 46 votes, and Dick Rohrbacher, who received 20. The new president stated upon hearing of his victory:

"I wish to thank all the student body that supported me by their votes and I shall do my best while I hold this office."

Steve Gamble and Eldon Jackson deadlocked in the contest for vice-president, so a run-off election was started yesterday and is continuing through today to decide who will hold the office.

Janice Lund defeated Ramona Kilfoyl for the job of secretary with 177 votes to 154, and Roy Johnson was elected men's representative over Stan Miller by 133 votes to 108. Barbara Elkins was successful in capturing the title of women's representative from Shirley Mendonca with 51 votes to Shirley's 36.

Both Honey Harris and Loren Ingols were without contenders for their offices. Honey was elected commissioner of social activities by 308 votes; Loren received the backing of 301 students.

Del Deis carried 167 votes to make him victorious over Jack Wilson for sophomore representative, and Jerry Parker defeated Dick O'Shaughnessy with 242 votes to 85 for the office of commissioner of public relations.

There was a very good turnout for the voting and all the new officers expressed their gratitude to those that supported them. In appreciation for the vote of confidence he received, Loren Ingols stated:

"If I am backed with as much enthusiasm in the cheering section as I was in the voting booth, we can all put Hartnell on the map."

Marin Invades For Twin Bill

Anxious to annex another conference victory, the Salinas Junior College Panther baseball nine will take on the Marin Junior College Mariners in a twin bill this Saturday afternoon. The first game starts at 12:30 p.m.

The locals lost their third straight league game at the hands of the San Francisco City College nine last week end, before grasping a 5-4 victory.

Reversing their normal procedure the Salinas lads found themselves at the plate but pitchers Stan Miller and Danny Nielsen were not too effective.

Father Hubbard To Speak At High School

Reverend Father Bernard Hubbard, S.J., world-famous Glacier Priest and Jesuit explorer of Santa Clara University, will present new color movies and his shrewd observations in a talk, "Around the Postwar World," at the Salinas Union High School Auditorium, Monday evening.

He is appearing under the auspices of the Columbian Squires, youth organization of the Knights of Columbus.

Father Hubbard recently returned from a 36,000-mile trip covering Egypt, Palestine, Lebanon, Syria, Iraq, Ceylon, the mandated islands, the Philippines, China, and Japan. During this

Art Student Displays Work

Joyce Anderson, art major here at Salinas Junior College, will put on a display of many pen and ink sketches of animals and children, a few water color paintings, and about ten pastel portraits of animals. They will be in the college gallery for a week. time he took over 50,000 feet of new color film from which he illustrates his lecture.

The explorer is head of the geology department of Santa Clara University. In this capacity he gained world fame for his important expeditions in Alaska. During the recent war his personal knowledge and studies of this northern area were of great value to our military forces.

Tickets are available at Gadsby's Music Company, 268 Main Street, Salinas.

Former Student To Replace Dr. Seibert

Dr. Richard A. Seibert, instructor in chemistry, geology, and physical science here since 1946, has accepted a position as chairman of the department of natural sciences at Orange Coast College in Costa Mesa.

At Orange Coast College, Dr. Seibert will teach chemistry in addition to the supervision of the departments under his jurisdiction; he will be in charge of the instructors of biology, physics, chemistry, and mathematics.

To replace Dr. Seibert here will be Richard Carlisle, who graduated in 1939 from Salinas J.C. and who is at present completing work on his master's degree at U.C.L.A. He will return to this campus this fall.

While attending Salinas, Carlisle maintained an "A" average and won the honor of being a commencement speaker at his class graduation. He was also very active in school affairs and held the position of student book store manager.

Carlisle will instruct classes in astronomy, chemistry 51, geology,

Commission

An award fund has been set aside for next year instead of each activity having a separate fund, the student commission decided Tuesday. The amount to be set aside will be decided by next year's commission.

Also, it was decided that Richard Burns would be awarded a block sweater for his outstanding performances as a boxer.

Several of next year's officers were at the commission meeting and all of the future commissioners are invited to attend the meeting next Tuesday.

and physical science here in the fall. He has his A.B. degree in math and physics and will soon receive his master's in astronomy and physical science.

Mrs. Carlisle, the former Estrella Lauber, is also a graduate of S.J.C. Both have earned permanent membership in Alpha Gamma Sigma.

Another English teacher added to the faculty will be Miss Eleanor Perry, who will start teaching here in the fall.

She has taught, at Amador Valley High School in Pleasanton, South San Francisco High School, Susanville, and three years at College of Notre Dame at Belmont. She also taught at summer session at San Francisco City College in 1947.

Campusology

By JERRY PARKER

OUTING . . .

The annual spring picnic was the usual gay time yesterday. The chow consisted of beans, hot dogs, beans, salad, beans, punch, beans, and beans . . . nothin' like beans. Everybody went running around the place drinking out of a bottle of coke. Somebody put the hot dog buns on a phonograph record and they came out sliced . . . course the record was none other than that sharp piece, "The Sabre Dance." By the way, speaking of the Sabre Dance . . . I heard the Andrews Sisters sing it the other day. It's a good thing there are three of the sisters—they sang every third word. Course it doesn't come out even, but neither does the One o'Clock Jump.

HOT TO GO . . .

The other day during the baseball game between the Panthers and the San Francisco C.C. Rams, the umpire suddenly started beating catcher Roy Williams on the chest and tearing off his chest protector. Williams was slightly confused by the apparent familiarity of the berserk umpire until he found out the reason for his acts of madness . . . Williams' chest protector was on FIRE. Yeah, on fire. Funny, too, cuz Roy wasn't smoking at the time—fact is, he doesn't smoke at all. Must have been a fire ball pitched by moundsman Don Nielsen. Sign 'em up.

PAHTY . . . REAHLLY . . .

Phil Trine, assistant editor of The Panther Sentinel, and somewhat of a perennial students around here, had a birthday Monday. He looked like a million, but he was only 21. There was some of the birthday cake left lying around the office here for the remainder of the week. I tried to partake of some, but my dentist warned me against it . . . I don't mean to say that it was hard or anything like that there—it's just that my jaw muscles aren't what they used to be . . . Duuuuuh, Happy Birthday, Phil.

ELECTION

Tuesday was the day that decided most of the student body offices. The vice-president race will be run off today. An encouraging thing about the election was that a great number of the students turned out to vote . . . a good sign. There was a terrible turnout in February—hardly any of the students voted. Of course, the fact that there was no election going on at the time may or may not have had something to do with it.

SKI CLUB

Mr. McCallum, Ski Club advisor, made the statement this week that, "The snow is gone, the ground is bare, so the Ski Club isn't going anywhere."

Colhecon Gives Fashion Show

Both men and women are invited to attend the Colhecon Club fashion show next Thursday, May 20, at 11 a.m., in the J.C. Little Theater.

A Hawaiian theme will prevail, according to show chairman, Dorothy Bell. Following the show, club exhibits will be on display in the home economics kitchen and refreshments prepared and served by the foods class will be available to those who attend, in the home ec living room.

Geneva Bottian is chairman of the refreshments committee and LaVerne Burton heads the exhibit committee.

Inasmuch as those who are planning on attending the show will be excused from their 11 o'clock classes it will be necessary for them to have tickets of admission before their teachers will dismiss them.

Tickets for the fashion show may be procured free of charge from the following girls: Dorothy Bell, Jean Tucker, Nancy Nutting, Alice Macartney, Carmela Bergler, Mary Rodriguez, Clara Bomar, and Faye Schneider.

The clothes being modeled have been made during the year in Miss Mildred Novotny's clothing class, while the exhibits were

A.G.S. Gift Discussed At Meeting

With only 18 members present, Alpha Gamma Sigma met earlier this week for the prime purpose of selecting the group's annual gift to the school.

In the past it has been the practice of the organization to present the school with several books at the close of each year. Several other gifts were mentioned as possibilities and it was decided to create an Alpha Gamma Sigma fund to be used for the purchase of some piece of furniture for the student union when it is realized.

Another problem facing the group was the poor membership turn-out. President Barbara Timmins stated that it was rather late in the year to decide upon any penalty for absentee members. Of the club's 64 members only 18 were present.

U.G.C. Hold Monday Meeting

Final plans for yesterday's picnic were made at the U.G.C. meeting last Monday afternoon. Plans for taking a school bus on the Bolado excursion were prepared by the home management and child care classes.

Prominent Margaret

San Mateo takes the credit as the birthplace of this week's outstanding student — Margaret Melrose Poo.

After a short period in Sacramento, Margaret, her parents, and two brothers lived for several years in Pasadena, and in her sophomore year in high school she transferred to Santa Cruz high. She reigned as queen of a War Bond drive, was president of the Girls' League, and president of Phi Chi Zeta sorority during her two years at Santa Cruz High School.

Recognized as one of the outstanding J.C. beauties, Margaret was one of the five finalists in the Homecoming Queen contest last fall.

After graduation from S.J.C. in June, Margaret plans to continue her studies at the University of California at Santa Barbara. Her future plans might include a teaching career.

(Editor's Note: Before the readers lose complete faith in the press, we feel that we should explain that undue pressure was brought to bear to see that this article would appear in the paper.)

Sophomores To Hold Meeting

Because of the extremely poor turnout at last Monday's scheduled meeting of the Sophomore class, President Roger Erickson is calling another meeting for Monday morning.

The meeting, which will graduating class is scheduled for Monday at 11 o'clock in room 16. All sophomores are urged to attend.

discussed, and the transportation question was ironed out. Announcement maps were posted at prominent spots throughout the campus at the time, which plugged the affair.

U.G.C. President Mary Anderson conducted the meeting.

W.A.A. Plans Holiday Week End, May 14-16

Leaving for Arroyo Seco this afternoon, approximately 12 girls will spend the week end at Miss June Handley's cabin. There will be swimming, baseball, and other recreation. Then the three days will be topped by a barbecue on Sunday afternoon.

Committee chairmen and their helpers are: transportation, Alzena Taylor, Eula Laughton, Laurine Neilsen; Foods, Edwina Johnson, Chickie Bremis, Sylvia Mulliner; sign-up, Lucy Huizenga.

Girls that are planning to attend are: Eula Laughton, Lucy Huizenga, Dolores Ruiz, Laurine Neilsen, Shirley Mendonca, Sylvia Mulliner, Alzena Taylor, Clotilda Castro, Muriel Silacci, Edwina Johnson, Chickie Bremis, Barbara Lilley, and faculty advisors Miss Handley and Ada Bassi.

This trip will take the place of the sports day that was cancelled last week between Salinas, Hollister, Monterey and San Luis Obispo colleges.

Majority Reached By Trine

Monday he was a man! We mean, of course, that man of the years, that Hot-to-go man of Salinas Junior College — Phil Trine. A centennial celebration was held in the cafeteria at 11 o'clock last Monday in honor of his 21st birthday and the number of years he has attended this fair campus.

Chuck Lewis made a gracious hostess garbed in Levi's and a brown sweater. His hair was combed in a charming off-the-face style. It was agreed by all those who were present that he really could slice that cake. "That cake" was a three-layer chocolate affair made and presented to Phil by Rosemary Hobson. It had twenty-one, count 'em, twenty-one lighted candles which our hero managed to extinguish with one mighty huff and puff.

"Happy Birthday" was rendered by those assembled, but fortunately, it could not be heard above the general din and Loren Ingols. Loren, it seems, also furnished the party with the cafeteria's crockery with the grudging consent of those in charge. The rest of his (Phil's) harem came across in a fine manner with refreshments: Rosemary Wong brought cookies, Barbara Elkins contributed a slab of salami. Phil ate while Salami danced. Honey Chile Harris bought him a four-scoop double-decker maplenut ice cream cone. Frances Delucci brought him some butterballs and a slice of salami.

Back to the butterballs, we find that they went the way of all

La Reata Nears Completion

Students will be interested to know that La Reatas for 1947-48 have now left the printers and are in San Francisco in the last stages of completion — the binding.

Editor Pat Smythe promises that this year's book will be completely different in style and content from any other year's. He urges anyone who hasn't yet bought a pledge card to do so immediately as the supply is running short.

The books should be in the hands of S.J.C. students by Monday, May 24, at the latest.

butterballs, with the Santa Cruz bus eating three fourths of them. And we thought the buses ran on gas. But all in all, Monday was really a "Tri-ne" day.

"Your Appearance Is Our Responsibility"

Three-Way Tie For First Position

Intramural cage play finds three teams, the Tallow Tigers, the Jayvees, and the Santa Cruz Sandabs in a three-way battle for the top spot. Each team has been defeated once.

The Sandabs fell before the Tigers in their first league game by a 33-19 count. Mickey Burke tallied six field goals for 12 points for the victors.

Then the Jayvees suffered their first setback at the hands of the Sandabs who romped to an easy 35-24 win. The Tigers were then in undisputed possession of the lead, but the Jayvees completed the cycle by ekeing out a 24-21 triumph over the Tigers last Tuesday. Bob Vessey accounted for 13 of the winning markers.

The largest league tally was tabulated by the Sandabs when they swamped the Screwballs,

Panthers Grab Win From Rams

Riding on the strength of a three-run rally in the final two innings the Salinas Junior College Panthers earned an even break by scoring a 5-4 victory in the second game of a double-header at San Francisco. The Rams blasted out a 9-5 decision in the first game.

Danny Nielsen, in his second start for the locals, was credited with the win in the abbreviated nightcap.

The Panthers, one run down going into the third, picked up two tallies on consecutive singles by Dick Ryder, Hal Hunter and Cliff Cracknell.

After the Rams evened the count on an unearned counter in the fourth inning, the locals broke the tie with singles by Cracknell and Don Napoli.

44-22, with Rich Rampone and Phil Trine cashing in for 14 points apiece to lead the scoring parade.

DEAN DILLINGHAM, who garnered a fifth place in the National Junior College Track and Field meet at Phoenix, Arizona, last week will try his luck in the Fresno and Modesto Relays this week and next.

Dillingham Wins Third in Throw

Stockton Junior College captured the Northern California Junior College track and field meet held at Santa Rosa last Wednesday evening with speedster Don Brooks leading the way.

The Cubs scored 53-1/7 points with Brooks registering 13 of them. San Francisco City College took second with 43-1/7 points and Modesto placed third with 25 digits.

Salinas nabbed only two points with Dean Dillingham placing third in the javelin throw. The winning toss was 183 feet 8 3/4 inches, which Dean has bettered in competition recently. Dillingham has heaved the spear 189 feet 7 inches this season but Wednesday he had to be content with a 176 foot throw.

The rest of the field finished in this order in the scoring: Santa Rosa, 12-9/14; San Mateo,

College Netmen Snap Streak

Gaining a split in their week-end matches with Stockton and Sacramento, the Salinas Junior College netmen snapped their losing streak at four straight.

In Friday's encounter, the Panther netsters were administered their fourth consecutive league defeat by the Stockton Cubs, 6-1.

Turnabout is fair play and thus the locals jumped on the Sacramento Panthers for a 6-1 match triumph.

Milt Thompson upset the favored Bob Wichert, the losers' top man, in straight sets, 6-4, 6-4.

Complete results are as follows: Stockton 6, Salinas 1—Bart Miller (St.) def. Thompson, 6-1, 6-3; Bill Cunningham (St.) def. Ray Marnach (S), 6-2, 6-3; Jack Atwater (St.) def. Bill Johnson (S), 7-5, 6-2; Ken Ferguson (St.), def. Ron Wardle (S), 6-1, 10-12, 8-6; Cory (S) def. Bud Klein (St.), 6-3, 4-6, 6-3. In doubles play, Miller-Cunningham (St.) def. Marnach-Johnson (S), 6-3, 7-5, and Klein-Campbell (St.) def. Thompson-Wardle (S), 7-5, 5-7, 6-2.

Salinas 6, Sacramento 1: Thompson (S) def. Wichert (St.) 6-4, 6-4; Marnach (S) def. Bill Walcott (Sac.), 6-2, 6-0; Johnson (S) def. def. Harry Smith (Sac.), 6-2, 6-1; Wardle (S) def. Clarence Wight (Sac.) 6-4, 6-3; Cory (S) def. Ray Rosskey (Sac.) 6-1, 6-3.

In doubles competition, Wichert-Walcott (Sac.) def. Marnach-Johnson (S), 6-2, 8-6; and Thompson-Wardle (S) def. Smith Rosskey (Sac.), 6-3, 6-2.
